Subject:- Shandy at Gamanahalli.

I have the honour to inform you that the Cauvery branch is being extended beyond 13¼ miles. There is at present a channel Sub Division stationed at Gamanahalli in Seringapatam Taluk to supervise the works in this connection. There is a regular colony with the necessary staff of Subordinates stationed at this place. The nearest existing shandy is at Kodiyala and it is rather too far from the colony as well as the work spots which is very close to Hebbakawadi. Hence a separate special shandy is necessary at Gamanahalli which will be to the convenience of all here. For, convenience of these as well as for the labour of about 2500 in number to make weekly purchase of provisions required for their maintenance, I request you to kindly arrange to have a special weekly shandy instituted at Gamanahalli, till works are in progress in this locality and this may continue for nearly 4 to 5 years.

I request the favour of an early reply regarding the action you propose to take in the matter.
